Before anyone's recordings reach you, please read this and accept it.
The data processing agreement
You hear people's recordings only to give them feedback here. You keep nothing outside WillpowerLab. You tell us at once if anything leaks.

Record Take 2

PROTOTYPE
The Feedback walk opens here, as it is locked: the one thing from the Take, the helper words, the end. It works on how Kasia answered: the pace, the pauses, the words. Take 1's Ideal Text is the five answers, one paragraph per question. This prototype stops at the walk's door.
